Notes for JENNIFER LARA CRAIG:

Thanks for sending me the link to the family page. Just a few things: #1. My middle name is Lara, not Laura. Everyone messes it up, so no big deal. #2. Why do you list some people that marry into the family as children and not others? Just thought it might be less confusing if you listed only the children in separate blocks and listed those that marry in in the blocks with their spouse. Just thought that might help. Also, I will try to see what I can do about getting you pictures of my section of the family (Arthur Gerald Craig).

Thanks again,
Jennifer Craig
