

## Henderson, Holstein, Craig, Fleming, Millen and Uncapher Connections

It has come to our attention while establishing RootsWeb for our major family trees the Henderson family has not, as of this date, been listed. This has been a complete oversight. While researching the Craig tree we became aware that there was a *double link* [Craig/Fleming] with a Captain Millen, ancestor of Martha Millen, wife of Madison Arthur Craig and the same Millen with the Ward Uncapher family. This came as a surprise to us, however, in that we have spent months formatting *eleven* family databases it came as quite a surprise when doing a search for Henderson that there were two PDF files that kept coming to our attention: The Harry Blair Fleming PDF file and the Holstein, Coulter and Henderson family PDF files. The eleven we have completed thus far are:

1. [Anderson Family RootsWeb](#)
2. [Craig Family RootsWeb](#)
3. [Campbell Family RootsWeb](#)
4. [Fleming Family RootsWeb](#)
5. [Henry Family RootsWeb](#)
6. [Holstein Family RootsWeb](#)
7. [Holmes Family RootsWeb](#)
8. [Learn Family RootsWeb](#)
9. [Mench Family RootsWeb](#)
10. [Uncapher Family RootsWeb](#)
11. [Wilson Family RootsWeb](#)

And now we make it an *even dozen* with the

12. [Henderson Family RootsWeb](#).

The two names in common with the twelve are *Capt. James R Millen* and the stepmother of Harry Blair Fleming, *Nancy Jane Henderson*. Harry Blair Fleming is my grandfather and Capt. James R Millen is ancestor of Anna Martha Millen, wife of my father's brother, and Andrew Uncapher, ancestor of Uncle Harold Ward A Uncapher, on my mother's side.

This author has not yet had time to publish a *more discernable outline* of all these connections, however for the diehard researcher one figures that these amazing possibilities will bring great joy and happiness!
